Chapter 2 by nwadialor stephen obie

Revenge - what better place to serve than the cold ukrainian mountains

That was the promise i made to myself a long time ago. And after 5 long years of waiting, i knew that the time had come for all of them to pay. I took a long hard look at the mirror trying not to recall the the story behind the scar on my right eye. I put on my best business suit, checked my pistol to make sure i was ready. I looked like i was heading for a business meeting. Oh yes - This was a most important deal for me. I close the door gently and stepped out to deliver a five year old promise i made. Someone was going to meet their maker today.
